

20o20 - Official Game Manual

Welcome to 20o20!

Enter the shadows of FEUP, where exams are locked away behind security cameras, guards, and the ever-ticking clock. In **20o20**, you take on the role of a daring student with a singular goal: steal the exam and secure a perfect 20/20! But beware—one wrong move, and you'll be caught. Will you outsmart the security and escape in time, or will you be another student lost in the halls of academia?

Installation Guide

Getting started is simple! Just follow these steps:

1. Visit the official **itch.io** page: <https://tchas.itch.io/20o20>
 2. You can choose to play directly in your web browser or download the game for **Windows** or **Linux**.
 3. Launch the game and begin your mission!
-

How to Play

Controls:

- **Move Left/Right:** A / D
- **Use Stairs & Elevators:** W / S

Your Mission:

- Navigate FEUP's corridors while avoiding **guards and security cameras**.
 - Use **power-ups** to your advantage:
 - **Red Bull**: Increases your speed.
 - **Plunger**: Grants temporary invisibility to guards.
 - Collect **coffee cups** scattered across the university to boost your final score.
 - To enter the professor's office, you must first **find the student card** hidden somewhere in the building.
 - Complete your mission before the **5-minute timer** runs out! The faster you finish, the better your score.
 - You have **3 lives**—get caught three times, and your heist is over!
-

Meet the Team

- **José Martins** - 50% Contribution
 - **Tomás Martins** - 50% Contribution
